

The Arizona Secretary of State, Jan Brewer, submitted a written request to the Commission that statewide candidates be permitted to file the list of names of \$5 contributors in a spreadsheet format to reduce the time and costs associated with having the names input into a campaign finance report. The Secretary of State's office provides campaign finance software to all candidates and all campaign finance reports are to be filed in electronic format. Currently, the Secretary of State's campaign finance software is unable to "export" or "import" data from a spreadsheet. The Secretary of State's office is working to resolve this issue, but it will not be resolved in time for the 2006 elections. On August 25, 2005, the Commission approved a proposed amendment to R2-20-10-9(B)(1) that would: (1) be in effect only for the 2006 elections; and (2) apply to all candidates. The Commission accepted public comments during a 60 day period from August 26, 2005 to October 25, 2005. On November 3, 2005, at a regularly scheduled Commission meeting, the Commission considered public comment and approved the rule change as originally proposed. The rule is now being submitted to the US Department of Justice for pre-clearance. Upon pre-clearance, the Commission will enact the rule amendment.
